

First Tee's mission is to improve the lives of young people by providing learning facilities and educational programs that promote character-development and life-enhancing values through the game of golf. First Tee – Minnesota is 510(3)(C) nonprofit organization that relies on donations from individuals and corporations. (Tax ID is 35-2220834)

First Tee equips young people for the most important game of all – life! Our programs engage young people by combining life skills and leadership training through golf instruction. In the process, these young adults become valuable assets to their community.

Donations are used to expand our reach to more Minnesota kids (especially in underserved neighborhoods, train and hire more First Tee-Certified coaches and provide free equipment to those kids who lack the financial resources to play the sport.
